

Print Caps and Grow Profits

Start decorating headwear and create instant add-on sales. This manual cap press is the perfect choice for a starter or back-up press. The easy-to-operate clamshell design, digital time and temperature display, and a cap lock down device makes heat printing ball caps, visors, and bucket hats fast and easy. Print and profit even more by using the optional, easy to change platens. That's MAXXimum performance. MAXXimum value.

**121 Million Caps are Sold in the US Every Year
